Video tutorial app G2Call+ pairing.

ART 4W LITE/G2+ MONITOR

Hands-free monitor for surface installation with integrated Wi-Fi.

4.3" screen with capacitive navigation buttons.

High efficiency loudspeaker.

Audio communications, video and secret door opening.

Video-spy functions, auto-start, doctor mode and do not disturb.

Intercommunication with other units of the apartment selectively.

Selectable ring tones.

Connection to the entrance door push button, which saves the use of the doorbell.

Output to auxiliary call repeater.

Dimensions: 110(W) x 155(H) x 14(D) mm.

Up to 4 monitors in the same apartment without additional power supply.

NEXA ALUMINIUM DOOR PANEL

Anodized extruded aluminium door panel.

Wide-angle 120° orientable telecamera.

Automatic LED activation, controlled through video signal processing.

Message prompts and coloured icons acknowledge the system status (call in progress, in communication, lock is activated or the system is busy).

Privacy on audio, video and door open progresses.

Two relay outputs for lock and gate activation.

Use 12V d.c. lock release (does not include lock release).

Recommended lock release: CV-24P/UNI (20600252).
