

External ANT-WRIPOP antenna for GM-WRIPOP radio frequency receivers

Reference: ANT-WRIPOP
Product code: 20700100
EAN code: 3760248200330

Main characteristics

- External antenna to improve the coverage focus.
- The antenna does not amplify the signal, it simply allows it to be placed in a more favorable signal reception position than the GM-WRIPOP receiver.

Accessories

- GM-WRIPOP RF Receiver Interface for IPOP control panels
